Amendments to the Drawings

The attached Replacement sheets of drawings include the following changes:
in Figure 5: the left ultrasonic bar is identified as 1.5 D and the right ultrasonic bar is identified as 1.75 D; and

in Figure 6: the correct identification of coordinates x, y and z corresponding to reference numbers 13, 14 and 15; duplicate reference number 14 has been removed; and reference number 15 now indicates the z coordinate.

No changes were made to Figures 1-4 and 7, but they are now presented as formal drawings.

The Replacement sheets replace the original or previously filed corresponding sheets having the same figures.
